Coedpenmaen Primary School
Home/School Agreement

At Coedpenmaen we strive to develop a love of learning through a challenging and engaging curriculum inspired by our learners. Our vision is driven by the four purposes where pupils' happiness and wellbeing are at the heart of our school which enables successful futures. At Coedpenmaen we equip our learners with the skills, knowledge and experiences through authentic and purposeful activities. With a safe, supportive and inclusive environment all learners are encouraged to reach their full potential with values rooted in Welsh language and culture. A close partnership between the school, parents and the pupil is essential if together, as a team, we are to achieve this. It is therefore an expectation that all pupils and parents who wish their child to attend Coedpenmaen Primary School sign up to our home-school agreement.
